ACH Care Homes - Winchester House, Sheerness

"People using the service lead full and interesting lives; contact with their family and friends is encouraged; they are assisted to continue with their education and supported to be part of the local community. The environment is excellent, it's so happy, relaxed and very, very calm." - CSCI Inspection Report - April 2008

Overall rating of Winchester House -

"Good" - CSCI Inspection Report - April 2008

Registered Manager: Jill Mabbs

House Profile: Winchester House is a high quality home for 12 adults with a learning disability. The residents may also have autism, epilepsy and associated complexities. The house comprises of a self-contained 2-bedded flat and 2 individual self-contained "bedsits" for those who have made progress towards leaving residential care and moving on to supported living but are not quite ready yet.

There are 8 further en suite rooms in the main part of the house.

The home opened in January 2008 and a settled resident group is developing well. The staff team at the home have prepared the following additional [Guide to the House](#). If you would like more information on any aspects of this home please contact us.
